CAPRI Frame System

CAPRI is a contemporary designed Executive meeting table range based on a simple modular system of patented components .

It can also be adapted to provide matching Executive, or Senior Managers desks, that will coordinate the total workplace environment.

Stylish, angled corner and intermediate legs, together with an interlocking beam system, can be used to create tables of virtually any length, or width, to suit any room size, or application. An optional straight intermediate leg style and a set of matching coffee table legs are also available.

Table tops of various shapes and finishes can easily be fitted with inset power units as required. A great selection is available from Stebul 'Accessories'.

CAPRI Key Features

- * Stylish, large diameter tapered legs
- * Robust, modular frame construction
- * Quick & simple to assemble
- * High quality polished chrome, black or white epoxy finish available
- * Large foot adjusters and glides
- * Choice of chrome intermediate leg styles - angled or straight.
- * A wide range of components available from stock to suit all shapes and sizes.
- * Comprehensive selection of inset power accessories available .
