Evolution Bench Desking - Contract MS

The Contract **MASTER SYSTEM** Bench Desking has been specifically designed for the contract market where durability and competitive pricing are the keys to success.

The fixed top design offers a robust, no frills bench desk system that has evolved over many years to provide a reliable workplace solution that fits virtually every environment.

Our simple Gola Post design, with intermediate set back legs offer a truly collaborative workspace for multiple desk applications. The modular construction not only makes the **MASTER SYSTEM** quick and easy to assemble but also allows the layout to be reconfigured should future office changes be required.

Desk tops of various shapes and finishes can easily be fitted with under desk, or inset power units as required. A great selection of power modules are available through Stebul Power and Data Accessories .

MASTER SYSTEM - Key Features

- * Fixed Top - dust free frame design adds strength and durability.
- * Modular frame construction enhances "future proofing" office layouts
- * Quick & simple to assemble reduces installation costs
- *
- * Large individual foot adjusters fitted to each leg.
- * Inset intermediate legs for collaborative working.
- * A wide range of desk depths available from 600,700 and 800mm from 1000 to 1800mm wide .
- * Comprehensive selection of frame colours and cable trays available .
