REVERSO Tilt Top Tables

REVERSO Tilt Top Tables

Ideal for the office, training, conference, leisure or education

Product Overview

- * **REVERSO** is a versatile, multi-purpose tilt top table ideal for use in meeting rooms, dining rooms, libraries and education facilities where flexible work space is required.
- * Elegant lines and robust construction are combined to form an aesthetically pleasing design that is easy to use. Simple, yet positive, self-locking tilt mechanism allows **REVERSO** tables to be quickly stored in the vertical position occupying the minimum amount of space. The nesting ratio is one of the best on the market.
- * A range of sizes, finishes and optional accessories ensure the **REVERSO** can be tailored to virtually any application.

REVERSO Tilt Top Tables

Product Design Features & Benefits

- > Double independent locking mechanism ensures a perfectly stable table top in use.
- > Large twin wheeled 65mm dia braked castors offer superb manoeuvrability and stability.
- > Choice of frames and a variety of table sizes, finishes and shapes including Rectangular, Round, Square, Semi-Circular, Oval, D-End and Trapezoidal.
- > Available in three frame finishes: high-quality chrome, silver or black epoxy coating.
- > Optional accessories include modesty panels, inset power modules and cable trays.
- > Designed to provide a finished table height of 725 mm when using a 25mm top.
- > Maximum nesting capability for minimum storage space required.
