360 UK BUSINESS SOLUTIONS LTD **MODERN SLAVERY & HUMAN TRAFFICKING POLICY**

360 UK Business Solutions is committed to driving out acts of modern-day slavery and human trafficking within its own business and that from within its supply chains. The Company acknowledges responsibility to the Modern Slavery Act 2015 and will ensure transparency within the organisation and with suppliers of goods and services to the organisation.

With a strong focus on innovation and ethicality the company has grown to its present position in the marketplace by establishing a reputation for reliable supply of quality office products and business supplies to all industry sectors. With approximately 56% of the products we source being manufactured in Europe, we generally consider our business and our supply chains to be low risk in terms of modern slavery and human trafficking.

We have a multi-disciplined and well vetted supply chain to support us through the different aspects and provisions of our business. As part of the company's due diligence processes into slavery and human trafficking the supplier approval process will incorporate a review of the controls undertaken by the supplier.

We emphasise & understand Imported goods from sources outside the UK and EU are potentially more at risk for slavery / human trafficking issues. The level of management control required for these sources will be continually monitored.

The Company will not support or deal with any business knowingly involved in slavery or human trafficking. The Company Directors and Senior Management shall take the responsibility for implementing this policy statement and its objectives and shall provide adequate resources (training, etc.) and investment to ensure that slavery and human trafficking is not taking place within the organisation and within its supply chains. This policy statement will be reviewed annually for inspection as required.
